The YMCA provides more than 3,000 employees with meaningful jobs and the opportunity to make a difference in the lives of individuals and the health of our communities. The YMCA works to build healthy communities. This is achieved through a shared culture and values. We recognize the contributions of our staff through innovative practices, great benefits and growth opportunities.

Our History:

For over 40 years, YMCA Child & Family Development has provided quality child care in the GTA and is the largest not-for-profit provider of Licensed Child Care in Canada. With more than 200 locations in child care centres, we offer a variety of programs: before and after school, nursery, full day early learning kindergarten extended day, school age, and family resource for children aged 0-12 years of age.

The contribution of our staff in the delivery of child-centred programs is at the core of our success as a leader in early childhood education. We are committed to providing staff with the opportunity to further develop their knowledge and skills that will assist them in enhancing the experience of children and families, through our YMCA Playing to Learn and YMCA A Place to Connect curriculums.

The *YMCA Playing to Learn* curriculum for 0-6 year olds, endorsed by the Elementary Teachers' Federation of Ontario, helps children develop and grow by using play as a way to learn. This method gives our early childhood educators insight into how kids learn and we use that insight to build a dynamic in-class environment to meet the specific needs of the child and ensure the child's interests help shape their learning experience.

The *YMCA A Place to Connect* curriculum for 6-12 year olds in YMCA Before and After School programs provides staff with the knowledge and skills to act as a mentor towards the children and helps them develop life skills. This curriculum also helps shape YMCA Day Camps, Summer Club and Residential Camps.
