It is a special place where you will see your children become more confident and independent and we hope that with our special touches, provide parents with a week of relaxation!

Some of the activities we offer at Pine Crest include low and high ropes courses, a climbing wall, canoeing, kayaking, natural arts and crafts, hiking, swimming, campfires, games night, outdoor cooking and much more. During the Family Camp week there's a balance between optional programmed activities and time to enjoy the site on your own. Programs are offered for children, adults or the whole family.

Families are welcome to arrive between 11:00 a.m. and 1:00 p.m. on Sunday. There will be a buffet lunch served from 11:30 a.m. – 1:30 p.m.

At 2:00 p. m. on Sunday there will be a parents meeting and greeting while the children are out exploring the site with our fantastic staff. Following the meeting, you will have another opportunity to go on a site tour or enjoy family programming. Regular scheduled program will begin after dinner.

On Friday there will be open programs in the morning, lunch at 12:30 p.m. and then it's time to pack up. Departure is between 2 and 3 p.m. If you have any questions prior to camp, please contact camp at:

YMCA Camp Pine Crest Guiding Principles

YMCA mission statement

The YMCA of Greater Toronto is a charity offering opportunities for personal growth, community involvement and leadership. Our success is built on our commitment to the mission of the YMCA. In pursuit of this, and to distinguish camp from other experiences offered by our YMCA and the community, our camping and outdoor education centre services are based on the following guiding principles.

Small-group experience

- YMCA Camp Pine Crest focuses on each individual camper's development process.
- Most of the camper's time occurs in a group size of approximately 10-15
- We provide opportunities for social development, group interdependence, interpersonal problem solving and leadership development.

Natural focus

- The camp program primarily features activities specific to our semi-wilderness setting and are not as readily available to children in their home or school environment.
- We take a holistic approach to environmental education and environmental stewardship, creating exciting experiences in the outdoors.

Democratic living

- While living in a group in a small cabin or on a canoe trip, participants learn to make decisions that serve both the individual and the group.
- Families work together to model positive behaviours for conflict resolution and leadership to all children at camp.

Enjoyable programs

- We want to make sure everyone has fun at camp.
- We encourage a sense of camp spirit, positive attitudes and camaraderie.

Inclusive community

- Our camp brings families and staff of various abilities and cultural, ethnic and socio-economic backgrounds together in one community.
- Staff are trained on issues of bullying and inclusion to help prevent situations that would make campers feel isolated during their time at camp.
- We offer financial assistance through a variety of channels in order to assure equal access to our programs at Pine Crest.

Healthy lifestyle

- We promote active, outdoor activities rain or shine.
- We serve nutritious and delicious food each day with an emphasis on healthy choices and lots of hydration for our busy days in the sun.
- We encourage all participants to make healthy lifestyle choices and increase physical activity daily.

Please do not bring any food containing nuts (or may contain nuts) to camp.

Families bring their own sleeping bags and pillows. If bedwetting is a concern, the camp laundry service is available to quickly launder any bedding. It is also suggested to bring a fitted mattress cover for a single bed.

Eyeglasses/contacts

For participants who require eyeglasses or contacts, we recommend bringing along an extra pair to be kept in the Wellness Centre in case they are needed.

Additional Information

The camp store

Our store is open for business on arrival day, departure day and most of the time in between. We accept cash, cheque, debit and credit cards. This summer we're pleased to offer:

- Pine Crest 1L bottle Winter toques
- Hats
- Sweatshirts
- Postcards
- Pine Crest stickers
- YMCA Camp Pine Crest History Book

Parking

Pine Crest has a large main parking lot. You're welcome to drive your car closer to your cabin to unload your luggage, but we ask that you move your car to the parking lot after doing so. Our main roads need to be accessible for emergency vehicles and on-site maintenance vehicles.

Alcohol and cigarettes

Pine Crest is primarily an overnight children's camp, and for this reason we ask that if you're going to be consuming alcohol, you do so in Kekindewin (the dining hall), or in your cabin. As well, we ask that you use plastic containers. There will also be no drinking on any Family Camp Canoe trips.

We do make an exception for Family Campers to smoke if they need to during their stay. We ask that you only smoke in one of our designated areas. All of our buildings are made of wood and we go through many dry seasons and would not want to see our site damaged in any way.

Swimming and boating

Unlike a cottage or resort, at Pine Crest, we ask that no one uses our waterfront without two Pine Crest lifeguards present. This includes all boating and swimming activities. When participating in any boating activities you must wear a lifejacket at all times. We have many scheduled times for the waterfront that you can enjoy!

Emergency situations

In the case of an emergency on site, Pine Crest staff will take full responsibility for ensuring all details are taken care of. We require all guests to provide us with health concerns and information so we can best be prepared for any situation.

Pine Crest staff will call an ambulance, fill out all incident/accident report forms, act as the primary rescuers on the scene and accompany the person to the hospital.

Please make sure to have all family Health Cards with you for your visit.

Getting to Pine Crest

We at Pine Crest encourage all families to utilize our free bus to camp from Toronto. Our road to camp is narrow and home to many local cottage residents enjoying their summer holiday as well. We would like to help reduce the traffic into camp and ask that you consider the complimentary bus to help us be great neighbours. The bus will be available from Central YMCA at 20 Grosvenor St. Toronto. RSVP required. The bus will depart at 10:30 p.m. from Toronto.
