Drop-in-Programs

Play to Learn (0-6 years)/Baby Play to Learn (0-18 months)

We provide opportunities for parents and children to participate in unstructured early learning activities and to enjoy the use of the play materials and resources kept on site. This program is designed to encourage quality adult and child interactions in an age-appropriate, child-focused environment that enhances and promotes healthy child development. This program is open to children from birth to six years of age and requires no registration. Hours will vary from day to day.

Family Time (all ages)

This is an extension of Play to Learn. Children of all ages, where at least one child is between the ages of 0-6 years, are welcome to engage in a variety of stimulating activities

Registered Programs

Infant Massage (0 - 12 months)

Learn techniques in infant massage that will promote healthy development, growth and positive interaction between parents, caregivers and children.

Focus on Infants (0 -12 months)

This interactive infant program enhances and promotes healthy child development by providing age specific activities focusing on social, intellectual, physical, and emotional skills. Adults will discover age appropriate activities to enhance their child's growth and development, and be able to network with parents/caregivers with children of the same age. Parents and children are free to explore in a child-focused and age appropriate environment.

Focus on Toddlers (1 -2.5 years)

This interactive toddler program enhances and promotes healthy child development by providing age specific activities focusing on social, intellectual, physical, and emotional skills. Adults will discover age appropriate learning experiences that will keep children engaged during play.

Focus on Toddlers (Inbetweeners) (12 – 18 months)

This program is designed to enhance the appreciation and enjoyment of music and movement activities and highlights the value of music to development. Toddlers will enjoy this fun program including songs, instruments and a variety of creative movement activities.

Musical Babies (0-12 months)

This program will introduce infants to songs, nursery rhymes, and musical instruments. Parents/caregivers will engage with their child while participating in a variety of musical experiences while incorporating variety of activities such as parachutes, shakers and other instruments.

Focus on Preschoolers (2.5 - 6 years)

This school readiness program will allow your child to develop skills that will help them be successful when they enter kindergarten. While participating in the program, your child will have the opportunity to enhance social, fine motor language, mathematical, problem solving and self-help skills.
