Drop-in-Programs

Play to Learn (0-6 years)/Baby Play to Learn (0-18 months)

We provide opportunities for parents and children to participate in unstructured early learning activities and to enjoy the use of the play materials and resources kept on site. This program is designed to encourage quality adult and child interactions in an age-appropriate, child-focused environment that enhances and promotes healthy child development. This program is open to children from birth to six years of age and requires no registration. Hours will vary from day to day.

Family Time (all ages)

This is an extension of Play to Learn. Children of all ages, where at least one child is between the ages of 0-6 years, are welcome to engage in a variety of stimulating activities

Registered Programs

<p style="text-align: center;"><u>Focus on Infants (0-12 months)</u></p> <p>This interactive infant program enhances and promotes healthy child development by providing age specific activities focusing on social, intellectual, physical, and emotional skills. Adults will discover age appropriate activities to enhance their child's growth and development, and be able to network with parents/caregivers with children of the same age. Parents and children are free to explore in a child-focused and age appropriate environment.</p>	<p style="text-align: center;"><u>Musical Babies (0-12 months)</u></p> <p>This program will introduce infants to songs and nursery rhymes, and musical instruments. Parents/caregivers will learn how to make and incorporate music and musical instruments into baby's' everyday play experiences.</p>
<p style="text-align: center;"><u>The Mad Scientist (2 – 6 years)</u></p> <p>Together adults and children will have the opportunity to explore different science experiments by using many different materials which will enhance cognitive, math and science skills while having fun.</p>	<p style="text-align: center;"><u>Family Music and Movement (0 - years)</u></p> <p>This program will introduce children to interactive songs, nursery rhymes, music, creative movement and musical instruments. Parents/Caregivers will learn how to make and incorporate music and musical instruments into your child's everyday play experiences while promoting a healthy lifestyle and intimate social bonds.</p>
<p style="text-align: center;"><u>Come Cook with Me (All Ages)</u></p> <p>The program will provide opportunity for children of all ages and their parent/caregiver to learn how to make nutritious and fun snacks. Together adults and children will have the opportunity to use and practice many early learning skills as they measure, pour, mix and taste a variety of snacks.</p>	<p style="text-align: center;"><u>Parent and Child Mother Goose (0-12 months)</u></p> <p>This program offers a group experience for parents and babies focusing on the pleasure and power of using rhymes, songs and stories. This program also provides parents a time to socialize and network with each other while spending quality time with their babies.</p>
<p style="text-align: center;"><u>Focus on Toddlers (Inbetweeners) (12 – 18 months)</u></p> <p>This program promotes a healthy toddler development by focusing on age specific activities. It will enhance an understanding of social, emotional and physical development, give the parent opportunity for networking, discover age appropriate literacy based activities for toddlers, allow play time with other toddlers and introduce parents to other community services available. Literacy based activities, creative movement and circle/story times are encouraged.</p>	<p style="text-align: center;"><u>Infant Massage (0-12 months)</u></p> <p>Learn techniques in infant massage that will promote healthy development, growth and positive interaction between parents, caregivers and children.</p>
<p style="text-align: center;"><u>Focus on Toddlers (1-2.5 years)</u></p> <p>This interactive toddler program enhances and promotes healthy child development by providing age specific activities focusing on social, intellectual, physical, and emotional skills.
