## **Registered Programs**

### **Infant Massage (0 - 12 months)**

Learn techniques in infant massage that will promote healthy development, growth and positive interaction between parents, caregivers and children.

### **Focus on Infants (0 - 12 months)**

This interactive infant program enhances and promotes healthy child development through age specific activities focusing on social, intellectual, physical and emotional skills. Adults will discover age appropriate activities to enhance their child's growth and development and be able to network with parents/caregivers with children the same age.

### **Focus on Toddlers (1 - 2.5 years)**

This interactive toddler program enhances and promotes healthy child development by providing age specific activities focusing on social, intellectual, physical, and emotional skills. Adults will discover age appropriate learning experiences that will keep children engaged during play.

### **Focus on Toddlers (Toddler Science) (1 - 2.5 years)**

This interactive toddler program enhances and promotes opportunity for children and adults to interact and work collaboratively together as they explore, discover and experience science discovery in many of the areas of the natural environment, the five senses and technology. Activities are age appropriate and will enhance healthy child development.

### **Musical Babies (0 - 12 months)**

This program will introduce infants to songs, nursery rhymes, and musical instruments. Parents/caregivers will engage with their child while participating in a variety of musical experiences while incorporating variety of activities such as parachutes, shakers and other instruments.

### **Focus on Preschoolers (2.5 - 6 years)**

This school readiness program will allow your child to develop skills that will help them be successful when they enter kindergarten. While participating in the program, your child will have the opportunity to enhance social, fine motor language, mathematical, problem solving and self-help skills.
