Thank you for keeping our centre safe.	<u>Hot Drinks Policy</u> Hot drinks is not permitted in programs. This is a Health and Safety regulation being enforced by the department of Child and Family Development.	

### AOK Family Fun: "Play to Learn, Learn to Play"

This program is designed to encourage quality interactions between you and your child from birth to six years, as well as, providing the parents/caregiver opportunities to network and share with other adults. You and your child will have many opportunities to explore and learn through a play-based environment. The activities provided are child-focused and age-appropriate. This program does not require registration. However, space is limited at each location.

### \*Parent-Child Mother Goose

The Parent-Child Mother Goose Program (P-CMGP) is a group experience for parents and their babies, which focuses on the pleasure and power of using rhymes, songs, and stories together. Parents gain skills and confidence which can enable them to create positive family patterns during their children's crucial early years, and give their children healthy early experiences with language and communication.

**\*For registration please call Blue Hills 1-866-536-7608 ext. 300**

### Music and Movement

The Music and Movement program introduces children and their families to music and physical literacy. Participating in activities offers children a chance to develop self-esteem, social, language and motor skills.

Funded through  
The Regional  
Municipality of York
