<p>Play to Learn</p> <p>Play to Learn is a drop-in program designed to encourage quality interactions between adults and children. This program is open to children birth to six years and their caregivers to play and learn together. Family Time occurs during Play to Learn where children over the age of seven can accompany a sibling aged birth to six years.</p>	<p><u>Nature Play</u></p> <p>Nature reduces anxiety, and being in the outdoors provides children with the opportunity to engage in open ended activities that increase attention span. Register and join us in Palmer Park on Water street for outdoor play that will promote your child's creativity through experiences that will develop imagination, problem solving, language and listening skills.</p>
<p><u>Family Music and Movement</u></p> <p>This program is designed to enhance your child's appreciation of music. Families will enjoy this interactive fun program including songs, instruments, and a variety of creative movement activities.</p>	<p><u>Baby Circle Time</u></p> <p>Parents and children can interact in an environment that enhances and promotes movement to music through games, songs and dance. We will explore infant development through sensory experiences.</p>
