February 2017 Calendar

Just a friendly reminder... Please remember to tidy up after yourself and to encourage your children to help you. When children are taught to tidy, they begin the process of developing life long skills

Illness... Please note YMCA policies state that participation in the programs is restricted if any member, (child or adult) is sick. You may return to the program when you are clear of any symptoms or have received antibiotics for 24 hours. Please honor this policy, especially during cold and flu season.

HOT DRINK POLICY For the safety of our children hot drinks are not permitted in the Centre, we appreciate your cooperation.

Allergies... Families are welcome to bring snack into the centre, however, please do not bring foods containing nuts. All foods should be kept at the snack table. Please disinfect the table after use.

Registered programs... Adults and children interact in an environment that enhances and promotes healthy child development. Families are free to explore in the child focused, age appropriate environment.

Activities are designed to be **adult/child interactive**.

Space in limited... You can register by phone or in person. We would appreciate if you could call if you are unable to attend a program.

Younger siblings who are not yet crawling are welcome to attend with their older siblings to all of our registered programs. Unfortunately, we cannot accommodate older siblings during infant and toddler programs.

Ontario Early Years Centres offer:

- Free programs and services for you and your children
 - Early learning Programs for Parents/Caregivers and their children birth to six years of age
 - Parenting Resources and Training
 - Pre and Post natal resources
 - Information about Early Years services in your community
 - Lots of opportunities for volunteering
- If you have a question about your child's learning, behaviour or health, or want to know how to get information or services for your child age birth to 6 years, please speak with any of our Early Years staff.

Program Descriptions

School Readiness * Registration required*- This program is a registered program that promotes literacy. Each week will have a different language and literacy focus. Children will be developing their language, problem solving, writing, letter recognition, and listening/reading skills.

Mother Goose *Registration required*-This program is a parent child interaction program that will provide you with a variety of new songs, stories and rhymes while you engage with your baby.

Infant & Toddler Mini-Gym *- Play in the Mini Gym and get ready to learn! The gym is filled with fun activities that will help your little one develop their fine motor, interactive, and early literacy skills.

P.A. Day Program: Math is Fun! *Registration required* Learn how math and numbers can be fun!

Explore the connection between early literacy and mathematics with engaging stories, songs, and activities. **Register with library: 905-623-7322 x2712**

Ready, Set, Grow! * On February 15th come and join us for this this **FREE** drop in for parents/caregivers of children 0-5 years. Bring your child and ask questions about learning, development and behaviour. **Professionals from agencies will be present.**
