Important Memo: Please read

To all OEYC/YMCA program participants:

I would like to take this opportunity to remind all families that two of the YMCA's core values are inclusiveness and respect. Any negative comments based on the grounds of race, colour, culture, ethnic origin, gender, sexual orientation, age, disability, family status or any other reason are completely unacceptable. All program participants have the right to feel safe attending programs. If you witness such comments and behaviours, please report it immediately to the program staff.

Children come to OEYC to learn various skills and it is also a learning process for the adults and staff.

Remember our children learn problem solving and pro-social skills with adult support and adult role modeling.

Please remember we expect you to uphold the YMCA/OEYC values when attending programs.

Thanking you in advance for ensuring all participants feel welcome, safe and included.

Sincerely,

Jane Thompson
